Body Ideals throughout History – Part 1

- 1) Briefly describe your image. What time period is it from? What country or culture is it from? What was the purpose of the image or the artifact (i.e. art, advertisement, something else)?

- 2) What beauty ideals are presented in this image? What specific characteristics are shown as beautiful?

- 3) Are the beauty ideals shown in this image gendered? Do you think the ideals would be the same for people of all genders?

4) Do you think these beauty ideals are attainable? Why or why not?

5) How do you think image made people at the time feel? Would it have made them feel good or bad about themselves? Why?

6) How are the beauty ideals in this image different than those of Canadians in 2017? How are they the same?
